

We've been vetted and verified by the best.

The next time you visit our website or see our marketing materials, you may notice something new – the Stewart Trusted Provider seal. As part of the Stewart agency network, we've undergone the most rigorous vetting process in the industry and the Stewart Trusted Provider seal is proof that we've been vetted and verified by the only title company named to the 2012 list of America's Most Trustworthy Companies from *Forbes*®.

In order to obtain the elite status of Stewart Trusted Provider, we must:

- Pass an intensive initial due-diligence screening including a third-party audit by Deloitte, LLP
- Conduct business according to Stewart's stringent Independent Agency Standards
- Undergo strict ongoing monitoring that includes regular Deloitte audits based upon risk model scoring and quarterly visits from a Stewart Agency Services manager.

The seal is also a symbol of our preparedness for the new regulatory environment you face as part of the Consumer Financial Protection Bureau's rule for mortgage disclosures. You can have full confidence in our ability to meet your needs and satisfy the applicable regulations. And, most importantly, you can count on us to provide you with a quality experience throughout the transaction and the security you deserve.

Lenders and consumers can depend on title agencies and attorney agents exhibiting the Stewart Trusted Provider seal to provide them with a quality experience throughout the real estate transaction process consistent with the coverage provided in Stewart's Closing Protection Letters and Policies of Title Insurance as issued.
